DISTRICT SUPERINTENDENTS' REPORTS.

BURLINGTON DISTRICT.

Dear Fathers and Brethren:

After the most careful investigation on the part of the now sainted Bishop Spellmeyer at the last session of the Iowa Conference it was determined to reduce the number of Districts from five to four. In the readjustment the Burlington District lost five charges to the Muscatine, gained eleven from the Keokuk and one from the Ottumwa.

The amount of travel incident to the administration of the District and the demands upon the District Superintendent have been materially increased by the change. Notwithstanding the greatly enlarged territory, the administration seems to me sufficient. It has been my privilege to visit officially every charge in the District, save one, four times; many were visited five times and to not a few six visits were made.

CHANGES: Early in the Conference year Stockport was made the head of a circuit; having associated with it Utica of the Bonaparte charge, Winchester and Miller Chapel of the Keosauqua Circuit. The Rev. O. E. Hatfield has been in charge during the year. The Rev. Frank Frizelle was secured for the Salem charge which was left to be supplied at Conference. An exchange was effected between Bro. T. F. Barker, of New London, and Bro. W. M. Crowther, of the Oklahoma Conference and the respective transfers made by Bishop Quayle.

EVANGELISTIC: The evangelistic spirit has been manifest in many parts of the District. It is gratifying to report that nearly a thousand have professed conversion at our altars this year. The fidelity of the pastors in caring for these has been noteworthy.

The Disciplinary report covering the membership during the year has forced pastors and church-record committees to an exact accounting for the membership of the church, which in turn will result in a more reliable church statistics. Latest reports indicate that notwithstanding the large number who have moved by transfer and the many marked "moved without letter," the Burlington District will have a substantial gain in membership.

BUILDING AND IMPROVEMENT: First Church of Burlington completed a very fine parsonage at a cost, including the site, of about eleven thousand dollars, making it the most valuable parsonage property in the Conference.

At Mt. Pleasant a parsonage second to none in the Conference in point of beauty, convenience and modern appointments has been completed. I had hoped, when in my last report I referred to the building of a new church in Mt. Pleasant, that the project would be well under way at this time. Delays of one kind and another have militated against such hoped-for progress. It is confidently expected now that the contract will be let in a few days, after which the work of construction will proceed with due expedition.

The Shiloh church on the Burlington Circuit is being extensively remodeled; Grace Church, Burlington, has spent about two thousand dollars in improvement; First Church, Ft. Madison, about a thousand dollars; Donnellson has beautified the interior by frescoing. In ad-

dition to these noted, much money has been expended for the improvement of church property. The aggregate for building, improvement, payment of debts and of pledges previously made, will be close to twenty-five thousand dollars.

Santa Fe Avenue church, Ft. Madison, has undertaken the building of a church commensurate with their growing demands that will cost sixteen to eighteen thousand dollars. Plans are well in hand and work will begin early in the spring.

CONFERENCES, CONVENTIONS, etc.: Two sessions of the District Conference were held; the first at Grace church, Burlington, and the second at Donnellson. Both were well attended and proved a mental and spiritual stimulus to those who were present.

A profitable Epworth League convention was held at Fairfield under the leadership of Dr. T. F. Cooke, District President.

A conference convention in the interest of Home Missions and Church Extension was held at Fairfield in December. Though the attendance was not large, the influence of the convention was widely felt.

The unparalleled gathering of laymen at Chicago in the interest of Missions attracted a good delegation from the Burlington District, some twelve of our men-ministers and laymen being in attendance.

The Woman's Foreign Missionary Society at Danville and the Woman's Home Missionary Society at Morning Sun had interesting and profitable conventions. The Iowa Conference Woman's Home Missionary Society held its annual meeting in Santa Fe Avenue church in Ft. Madison.

The Ladies' Aid Societies have contributed large sums for the improvement of church property and in payment of pledges, while in some instances their diligence alone stood over against the inaction of the stewards and prevented a deficit which otherwise would have occurred.

I am glad to report progress in the work of the Sunday School. Instruction and inspiration came to us through the visit to our District Conference of Dr. Wade C. Barclay, Educational Director of the Board of Sunday Schools.

The Methodist Brotherhood so far as organized, commends itself to the judgment and activity of our men. It furnishes, as no other society of the church, an outlook for the vision and an outlet for the available but unused energy of the men of the church. It is hoped that the presence of Dr. Thompson may stimulate the laymen to a wider use of this modern and effective agency.

TEMPERANCE: It is with sincere gratitude we call attention to the continued success of Bro. C. S. Cooper, District Superintendent of the Anti-Saloon League. His visits to our charges have cheered our hearts, strengthened our faith and enlarged our hope of final victory. We pledge him our hearty support and co-operation until Iowa shall be free to its utmost boundary from the curse of the open saloon.

IOWA WESLEYAN: Iowa Wesleyan closed one of the best years of her history in June. A fine student body with a strong faculty made anything but success impossible. An excellent college spirit pervaded the entire institution. A college revival under the leader-

ship of the Rev. J. R. Hanley affected the student body profoundly. Very many were moved to complete consecration, while not a few entered for the first time the Kingdom of Christ. The achievement of the year was the securing of the first \$100,000 in the campaign for a quarter million endowment. To President Schell, tireless, ubiquitous, well-nigh irresistible in his pursuit of men and money, is due in large measure the credit for this financial victory. The outlook for the new year is exceedingly bright.

SICKNESS, SORROW, etc.: It is cause for devout thanksgiving that in so large degree our parsonage homes have been free from sorrow, yet the shadows have not been wanting. Mrs. C. L. Tennant and Mrs. L. G. Cummins submitted to severe surgical operations which have proved successful in both cases. Sr. Collier has passed through deep waters in the loss of her eyesight. The best medical skill was consulted to no avail. Gradually and perceptibly darkness settled down upon her. But the light of Christ shines in, and holy resignation to the Divine will on her part and that of her husband has turned the cloud inside out and revealed the silver lining.

The sympathy of the entire Conference goes out to Bro. and Sr. Bishop of West Point in the bereavment which they suffer in the death of their son, Howard, who was drowned in an heroic attempt to save the life of Miss Williams of the Woman's Foreign Missionary Society. Howard has been in charge of industrial school at Nadiad, India, since his appointment to the field. His work was of a very high order, meriting the commendation which he received from church and state.

CONCLUSION: In conclusion, I wish to record my appreciation of the unfailing kindness of the Pastors of the Burlington District, and of the laymen with whom I have been associated and into whose homes I have had the privilege of going during the year. The pastors have been faithful, earnest, zealous, eager to know the Master's will and ready to do His bidding. The years work is in God's hands. May He make the most of it for His Kingdom's sake,

Respectfully Submitted,
J. M. McCLELLAND.

MUSCATINE DISTRICT.

It is with devout thanks to God, the giver of life and health and good, that I make this report to the Bishop and members of the Iowa Conference.

The year began with seven charges to be supplied, viz: Buffalo, Guernsey, Koszta, Nichols, Oakville, Southland, and Millersburg. In two of these cases the persons who were appointed by Bishop Spellmeyer did not go to the charges, viz, W. D. Merryman, a member of conference and J. A. Murray, a local preacher. Bro. Merryman made arrangements with Bishop Spellmeyer to be changed from Koszta into the Ottumwa District and was appointed to Martinsburg, thus leaving Koszta to be supplied. Bro. Murray was appointed by Bishop Spellmeyer as a supply for Sweetland, but never went to the charge. As soon as possible I secured supplies for all these charges and the year is closing with energetic men on all the charges. I supplied Buffalo with A. J. Leubbers, of Davenport, Guernsey with F. W. Howlett, a local preacher student in Oskaloosa, Koszta with Bro. C. C. Jones, a local preacher, Nichols has had five preachers this year and has built a new church. Rev. R. T. Richards was transferred from the Phila-

delphia Conference to the Iowa Conference and appointed to Nichols finally. At Oakville E. Madrigal has supplied almost a full year has been formed into a charge under the sanction of Bishop Spellmeyer this year and Bro. C. L. Rubottom has supplied it. Sweetland circuit was to be supplied by J. A. Murray, but he did not go to it. So I secured the transfer of Bro. R. C. Russell from the West Wisconsin Conference and he has been there from early in the year.

In June Bro. J. H. Lewis, of Brighton, went on a vacation and committed such conduct that an investigation was held resulting in his suspension till this conference met. Under the sanction of Bishop Wilson I appointed Bro. R. A. Bruce to supply until conference. Bro. H. M. Strong relinquished his work at Muscatine North Circuit in June for reasons which I thought justified him so to do and I appointed Bro. E. W. Stodghill, a local preacher, to supply the charge till conference.

The pastors have held a great many revival meetings but none of these were what might be called large, yet they were good and so numerous that I think about a thousand persons were converted this year in the district. It would be tedious to mention all these in particular details, but some of these are so remarkable that for the sake of the charges I mention them.

At Kalona Circuit Bro. Moore held three good revivals taking into the church over one hundred members. At every point on the circuit there was a good revival and a healthy growth in the membership. Three years ago Kalona circuit was almost dead, but, under the diligent pastoral care of Bros. Jordan, Seeds and Moore, it has taken on new life, built two new churches, and promises to pay Bro. Moore a thousand dollars and a house next year. Bro. Russell has had a glorious revival at Sweetland and held good meetings also at Moscow, North Prairie and at Pleasant Prairie.

Bros. Hank, Scott, Baumgarten, Carwell, Robertson, Jordan, Smith Hightshoe, Glendinning, Newsom, Barker, Madrigal, Rubottom, Myers, Brooks, Strong, Osborn, Fred Smith, Fry, Zenor, Dillon, Scoles, Phillips, Morrison, Fisher and Hamilton, have also had good meetings of revivals and spiritual edification for the people.

Our people at Nichols have completed a new church at a cost of about \$6,000 and it was dedicated free from debt May 8th, Rev. J. R. Hanley managing the finances and doing the preaching all to the delight of the people. Our people at Oakville under the pastoral care of Bro. Madrigal, early in the year purchased and paid for a church with the help of the Board of Church Extension. Our people on the Guernsey Circuit bought and repaired a church secured from the Moravians of the locality at a cost of \$300. Improvements and repairs have been made by many of the churches and parsonages of the district, in details too numerous to mention.

Our people in Muscatine are in a great undertaking of building a new church. They have sold the old site on Iowa Ave. and 3rd St., and are planning to build a modern commodious new structure the cost of which is not yet determined, certain plans and specifications have been made and I understand bids will soon be called for on the contract.

The benevolent interests have been urged by all the pastors. In some places our people respond nobly to these altruistic appeals, but

in some other places the self-centered feeling is the prevailing one and the benevolences are therefore small and hard to secure. However, we hope to show an increase on the whole.

Our preachers have stood strong against intemperance and unrighteousness everywhere. The ethical sense and standards are on the elevating trend all over the district, but it is difficult to say the same for the literary taste of our people when judged by their attitude towards our church advocates. Only a few of our Sunday Schools use any other than our own S. S. Literature. Many of our pastors are insisting on placing our church Hymnals in the Churches and I frequently ask the congregations to join in Communion Service in reading the Collect. Our Communion Services have been very blessed and holy, moments filled with deep and solemn thoughts and spiritual vision. At our communion services almost always all the people remain until the benediction is said. By a very little effort I have prevailed on the people to ease from the unseemly habit of getting up and out of the church during or just before the communion service.

The Ladies' Aid Societies have been doing good and commendable work. The Woman's Home and Foreign Missionary Societies have held conventions. One District Conference was held of large attendance and the very best interest and spiritual value. The Epworth Leagues in the District are for the most part active and are doing good work but for some strange reason there was a failure of the District League Cabinet to hold a convention this year. This I regarded not only unfortunate but without good excuse. The Sunday Schools are on the whole on the increase and much of the finest work of the Church is being done with children, youths, and adults. Many large classes of adults have been formed and the graded work has been used to some extent. There is a growing appreciation of our preachers and a strenuous demand on the part of our people for better equipped preachers, as shown in the fact that at the beginning of this year the total increases in cash salaries for this year amounted to \$2020, and I have already pledges for increases next year of over \$800.

Finally, I have tried to do all I could to advance the cause of Christ and His Church this year and I think I see larger hope for next year, opportunities multiply and I pray for wisdom and grace to meet them.

Respectfully Submitted,

J. A. BOATMAN.

OSKALOOSA DISTRICT.

Dear Fathers and Brethren:

I herewith present my second report as Suprintendent of the Oskaloosa District:

With the pastors in the fields assigned them, I entered upon my work immediately after the close of the conference. But few changes have occurred or been necessary during the year. Rose Hill left to be filled was filled soon after the adjournment of conference by the transfer of H. W. Cannon from the Minnesota conference. Wm. De Garis appointed to supply the Taintor charge left the work early in the year and on account of lack of support the work has had but little service during the year, and will probably be discontinued after Bussey charge at the close of the second quarter to the South West

Kansas Conference. In order to secure a better adjustment of the work the Hamilton charge consisting of Hamilton and Marysville, was absorbed in the Bussey charge and W. N. Hall was appointed to the Tracey charge, including Bethel and McClintock, and Thos. Reese who had come to us from the Baptist church at Buxton was appointed to the Bussey charge. With these exceptions the charges have remained as at adjournment of the conference.

The shadow of the death angel has fallen upon but one parsonage home, that of Brother and Sister Jesse Monkman at Kilduff and left them to mourn the departure of a new born babe:

CHURCH AND PARSONAGE IMPROVEMENTS: The new arrangement of the Districts in absorbing the Keokuk District gave to the Oskaloosa district an addition of ten charges, making in all thirty-four parsonages and ninety-four churches, covering a territory equal to four counties. The parsonage at Durham located but little over a mile from the Harvey parsonage has been sold and this conference will be asked to approve of the use of the money for improving the parsonage at Harvey. The same is true of the Wesley church on the Attica charge. The new church reported at Pleasant Hill on the Kilduff charge was dedicated early in the year by Dr. Schell free of debt. The extensive improvements of the parsonage in Grinnell along with street paving for both church and parsonage streets have been all provided for and payments in part made, the beautiful parsonage at Brooklyn has all been paid for, so that, with all these improvements, no indebtedness will be reported. Outside of these the most extensive improvements have been at Montezuma where the street paving in front and at the side of the church and parsonage, along with concrete sidewalks have cost from \$1,800.00 to \$2,000.00 part of which has been secured and the balance will be raised soon after conference. South English, on the Webster charge, is erecting a beautiful church to cost some six thousand dollars, which will be completed ready for dedication early in November and it is expected will be dedicated free of debt. The extensive improvements of the church and parsonage at Malcom greatly improving and beautifying the church and parsonage, buildings and grounds, were all paid for early in the year and in addition to the church improvements on the Kilduff charge costing over five thousand dollars all of which has been raised, represent the larger improvements. The largest indebtedness is at Oskaloosa on the parsonage which, though over four thousand dollars, is not burdensome and will be easily provided for in the near future.

SALARIES, BENEVOLENCES, etc.: In many charges the estimating committees recognizing the high cost of living, advanced the pastor's salary and the quarterly conferences adopted the report.

While I cannot give the total of the Benevolences, or even approximate as to increase, or decrease, if any shall exist, which I am not anticipating, yet almost without exception the pastors have been so true and diligent in looking after all these causes, and as far as I could interpret the people have been ready to co-operate with them, that I am confident the report on Benevolences will stand favorable comparison with the other districts of the conference. I am fully satisfied that the pastors have almost without exception done their full duty, if not their very best, in behalf of all the causes, including the Iowa Wesleyan University.

SPECIAL MENTION: It is a matter deserving special mention

that Dr. W. P. Stoddard, appointed from the Oskaloosa District to the agency of the Hospital at Des Moines, was not only a member of the district, but has made his headquarters at Grinnell within the bounds of the district where his presence and influence have been felt in the local church and has been so active and efficient in the work assigned him that the Hospital Board at Des Moines have requested his re-appointment for the coming year.

It is also to our credit that the venerable author of the recently issued "History of the Iowa Conference of the Methodist Episcopal Church" holds his membership within the district at the Central church in Oskaloosa where he has been for some years an active supporter of the church. The book now in the hands of the pastors and people speaks for itself and should have a place on the shelf of every pastor's library and in the homes of every Methodist family in the conference.

The indications are that two invitations will come from within the district for entertainment of the conference at its next session, one on the Harvard plan of lodging and breakfast from a city where ample opportunity is afforded for meals, and the other probably on the plan of free and full entertainment. In view of the fact that the year 1912 will be the twenty-fifth anniversary of Bishop Edwin H. Hughes entering the conference, the Grinnell quarterly conference passed a resolution requesting the Board of Bishops, if in accord with their plan of assignment for that year, to assign to the Iowa Conference Bishop Hughes, and asking that the cabinet or conference concur in the invitation.

CONFERENCE AND CONVENTIONS: The first District Conference held early in the year at Central church in Oskaloosa, was largely attended and was devoted to the subject of evangelism from which the pastors went out to kindle by the aid of the Holy Spirit revival fires in nearly all the charges of the district. As a result revival spirit and revivals resulting in conversions ranging from ten to one hundred have prevailed in most of the churches. The second District Conference was held in conjunction with the District Epworth League convention at Grinnell in the latter part of June, the District Conference beginning on Monday and closing on Wednesday at noon and the Epworth League convention beginning Wednesday noon and lasting until Friday noon. Both were largely attended and pastors, Epworthians and people were delighted with the spirit and the enthusiasm that characterized both the conference and convention. The Woman's Home Missionary convention was held in Central church, Oskaloosa and the Woman's Foreign Missionary convention in the Montezuma church and each largely attended and characterized with interest and enthusiasm.

It is a matter of congratulation that the present session of the Annual Conference is being held, not only within the bounds of the district, but in one of the charges where it is a matter of heroism on the part of the local church to undertake so large a task for so small a church.

Under the direction of Dr. Perry Powell of Tipton, Indiana, the organizer of the Knights of the Holy Grail, who spent four weeks in the district, castles were formed at Oskaloosa, Grinnell, Newton, and Montezuma, ranging from sixty to one hundred and twenty-five and all are promising well as a movement among the young men and boys in way of interesting them in, and holding them to the church. The

greatest problem is to find the leader adapted to boy life who will take charge of the castle when formed, otherwise it adds to the burden of the already busy pastor.

DEACONESS, EVANGELIST Etc.: A deaconess has been secured for the district who will enter upon her work immediately after the adjournment of conference or as soon as she can have fields assigned her and will be under the direction of the district in whatever way the District Conference shall plan at its first session. The deaconess secured comes to us from the Deaconess Training School in Chicago in return for money furnished the school by the District Epworth League several years ago and will be in the service of the district for at least two years to come.

The wide spread feeling is abroad in the district that the district should have a district evangelist who would give his entire time to the revival work in the district and thus secure the much needed help in holding revival meetings..

I submit this report with grateful acknowledgement of my obligations to and highest appreciation of both pastors and laymen who have afforded me cordial co-operation at all times and places in my work. It has been this that has made possible the fact that with the enlarged district I have been able to give each charge as well as each church, as much service and attention with but few exceptions as was given the smaller district, and additionally to help in a number of revivals. To the Heavenly Father is due grateful acknowledgement for a year of health and gracious providences. In the midst of it all the fellowship of the brethren has been most delightful and together we have had precious fellowship with "Our Father."

Respectfully Submitted,

C. L. STAFFORD.

OTTUMWA DISTRICT.

Dear Brethren:

It is with sincere gratitude to God for manifold mercies that I bring to you my Fifth annual report.

When this Conference adjourned the 13th of last September, the Ottumwa district had been shorn of 12 of its previous charges and enlarged by the addition of 19 from the Keokuk District. Thus the larger half of the Ottumwa district became new territory. The map covers nearly, or quite 4000 square miles, embracing in whole or in part, seven counties, including 36 pastoral charges, with 96 churches and preaching places. Forty-nine of these churches are inland from one to nine miles. The western part of this newly organized district is composed of a string of coal mining camps, 70 miles long, running zigzag from the northwest to the southeast, representing a population of 16 000 people, two-thirds of whom are English speaking. In these camps we have seventeen churches, composed nearly altogether of this excellent, but transient class, while adjacent to these camps are numerous small churches composed of more or less of miners. The classes are mostly weak financially and in some places the struggle made for existence is pathetic. We feel we must have at least \$500.00 from the Board of Home Missions and Church Extension this year, to strengthen the feeble hands of this heroic people.

PASTORAL CHANGES: F. M. Hayes, a superannuated member of

an Illinois Conference, was appointed supply at Cincinnati. After three weeks service he resigned on account of illness, and we lifted D.W. Witham from the Floris charge to fill the vacancy. For Floris we secured O. E. Scott, a student, and a good safe man. W. H. Slack, supplying Chillicothe, resigned his charge at the end of ten months to engage in Children's Home-finding work with the Des Moines Home. For this vacancy we secured Bro. Geo. W. Barber, a superannuate of this conference, whose returning health permitted him to once again enter the work. W. D. Merryman, appointed by Bishop Spellmeyer to Martinsburg, requested, at the end of six months, for consistent reasons, to be released from his work temporarily which request was granted. Since then he has been preaching for the Penticostal Church of Nazarenes. He has returned his Parchments and will join the Conference of that body. To fill this vacancy we lifted Bro. J. D. Pointer, our supply at Farson and placed C. V. Hulse, a local preacher from the Muscatine district in charge of Farson. These changes have proven happy.

CHURCH AND PARSONAGE CHANGE AND IMPROVEMENT:

The reconstruction of our church at Agency was completed early in the year at a cost of \$5,000.00 and dedicated by Dr. Schell, free from debt. This was followed by a gracious revival, resulting in 46 conversions and 50 accessions. This charge has been under the pastoral care of O. G. Orcutt three years, during which time it has advanced in pastor's salary \$300.00; the church membership has been largely increased and all departments advanced.

Bro. D. C. Smith, a superannuate member of this conference, by our request, took upon his heart the little Zion church, six miles south of Ottumwa. Through heat and cold he has filled his appointments and his characteristic faithfulness has greatly encouraged that class. They have contributed nobly to the benevolences.

At Pekin, on the Martinsburg charge, a neat new chapel is ready for dedication. A. Huff, pastor.

Sharon church, on the Exline charge, has been improved at a cost of \$675.00, and dedicated by the Dist. Supt. free from debt. For this good work, Pastor A. T. James deserves much credit.

The old parsonage at Floris has been sold and a neat new one erected on ground adjoining the church. O. E. Scott, pastor.

Keosauqua Ct. has sold its old Zion parsonage and plans a new property at Kilbourn.

The church and parsonage property at Moulton have been improved and painted at a cost of some \$600.00. A. M. Smith, pastor.

At Hedrick the church and parsonage have been painted, the debt of several hundred dollars paid off, and a new light plant installed for church and parsonage use. D. C. Bevan, pastor.

Our church at Centerville, under the leadership of Pastor J. R. Hanley, has delivered itself from embarrassing litigation in the way of a number of law suits pending a year ago, as the result of a bankrupt contractor. This church has had a year of phenomenal success and growth in all its departments, and plans a great rally day in October, when the last of its \$13,000.00 debt will be canceled.

At First church Ottumwa the debt of several thousand of dollars

has been fully paid and extensive repairs made on the church property. This church is developing great strength under the ministry of Dr. T. W. Jeffrey.

In connection with the above, nearly all the churches and parsonages in the District have been more or less improved.

PASTORAL SUPPORT has increased this year \$2,300.00. Through special visits and many personal letters we have kept in close touch with the stewards, particularly in the weaker charges, and the reports will show but little deficiency. Through our method of ascertaining in the Fourth Q. Conferences the figure at which the pastor's salary will be fixed for the incoming year, we are able to report that a goodly number of charges will advance from \$50.00 to \$200.00. This method, we find, tends to avoid disappointments.

THE BENEVOLENCES have had careful consideration in the quarterly conferences and through representation in the public congregation and among the people. The reports will show a general quickening in the liberality of our charges, many being able to report all collections in full. The Laymens Missionary Movement has brought to us increased inspiration. The Conquest of the Kingdom witnesseth the breaking of a better day. We hail with delight its glorious dawning.

TEMPERANCE EDUCATION, agitation and law enforcement among us is progressive. We express our confidence in the Anti-Saloon League as the institution best adapted to organize and general our forces, and we compliment and commend our brother, the Rev. C. S. Cooper, a member of this Conference and a District Superintendent of the League.

Again this District places itself on record in positive, immediate and eternal enmity against that arch enemy of all moral and spiritual life and reform, the saloon. Within this District we have seen it breed and foster crime, stimulate lust and beget incest, develop passion inciting brutal murder, rob womanhood of virtue and smite her weeping face, drag manhood into sensuality, beastliness and disease, burdening posterity with a withering, blighting curse; and our voice has mingled with that of suffering children crying "O God How Long, How Long." For the existence of the saloon there is no excuse. The Church of Jesus Christ is big enough to smite it to its death. Then let us awake and pledge our prayers, our powers, ourselves to its annihilation.

THE IOWA WESLEYAN UNIVERSITY continues to inspire our faith and command our confidence. We rejoice in its progress and point with pride to that largely increased body of young people from this District, who next week, will swell the number of its students. The increased endowment and general prosperity pays a splendid compliment to President Schell and his able assistants. We bid them God Speed and renew our pledge of fidelity.

THE DISTRICT CONFERENCE met in its two sessions at Blakesburg in November and at Agency in June. These sessions were well attended, full of interest and much enjoyed. The June session authorized a District Evangelistic Board, whose duty it should be to assist the district suprintendent in organizing the district for a general evangelistic campaign during the coming year. A number of the pastors from the stronger charges have pledged assistance to weaker churches. Much is expected from this new arrangement. This session recommended to your body for admission on trial Bros. Gordon Dale Cox

and E. W. Stodghill, both graduates from the I. W. U. They are good capable men and will win results.

THE EPWORTH LEAGUE continues a spiritual, moral and social force among the young people. Its local numerical strength is regulated by the coming and going of the young folk; but its general collective strength in the district is of conservative healthy growth. The District Convention was held in Keosauqua in June and was pronounced by many to be the best ever. In spite of the fact that it had lost practically all its Board by the change in District boundaries, the president, Harry Henness, pressed the year's work to a happy conclusion.

THE LADIES' AID SOCIETY maintains its position as aid-de-camp to the pastors and official boards of the church. Their contributions this year to the various local needs amounts to nearly \$6,000.00.

THE W. H. M. S. and F. M. S. are well organized in this district. Their faithful labor has resulted in increased information and education in the local churches and the reports will show large contributions to the general causes which they represent.

CHANGE IN CONFERENCE RELATION: At this session of the Conference, two brethren beloved will cease from active service and ask for superannuated relation. First, Brother Latham Ingham that he may fulfill a loving obligation to that wife, who for so many years has been his loyal help-meet and graced his parsonage home; but who is now broken in health and must change climate to prolong life, will retire from the effective relation and locate in Pierre, S. D. Second, Brother D. C. Bevan, on account of broken health and by the advice of a physician, will ask release from the effective ranks for absolute rest and hoped for recuperation and lengthened life. How splendidly have these two men served the church and greatly have they endeared themselves to the brethren. The element of sadness and disappointment is glorified by the sunshine of their peaceful faces and loving, trusting hearts. May kindly Providence attend them and God's eternal presence be abiding.

H. NEWTON SMITH,

District Superintendent.

REPORT OF STANDING COMMITTEES

THE AMERICAN BIBLE SOCIETY.

Last year was the banner year of the society.

It was organized in 1816 and has been successful in uniting the many denominations in the undertaking to increase the circulation of the scriptures among all nations.

Last year it issued at home and abroad 2,826,831 volumes of scripture. It circulates the Bible in more than 100 languages. It furnishes the missionaries of many denominations with the Bible which is the chief implement of his work.

The "Sage Fund" was secured during the past year for which we give hearty thanks and we are glad that Iowa had a prominent part in the same.

They have 62 agents in the field, 4 in Iowa. 100,000 homes have been visited by the agents of the society in the last year, and 103,000 copies of the Bible sold within the same time and 32,000 copies given away to missions Sunday schools, churches and jails.

We recommend the urging of special gifts.

Also that this benevolent cause be carefully presented from our pulpits this year, and if possible, the full claims of the society be met in a manner the pastor may deem most suitable.

BOOKS AND PERIODICALS.

We note with interest the prosperity of our Book Concern and recognize the merits of its publications, both books and periodicals. We consider our Sunday school literature superior to all others, and recommend its exclusive use in our schools.

We are sorry to report that out of a total membership of 35,596, but 957 or 3 per cent of the Methodists within the bounds of Iowa Conference, are subscribers to the Northwestern and Central Christian Advocates. We firmly believe that the only remedy is consolidation and consequently a lower or popular price for the same.

REPORT OF COMMITTEE ON BROTHERHOOD.

We greatly rejoice over the unprecedented religious awakening among the men of America. We recognize the prominent place taken by the Methodist brotherhood, than which no movement in our church in recent years has done more for virile, masculine Christian life.

We especially commend the wise administrative work of Dr. Fayette L. Thompson, the recently elected General Secretary. His presence at our Conference session has been an inspiration to pastors and laymen. The brotherhood cause presented for the first time, has received fresh impetus from the addresses of Dr. Thompson.

We urge the organization of a Brotherhood in every charge. We approve the suggestion of the general organization that four vice-presidents be elected, one from each district, each of whom shall be president of the brotherhood for the district from which elected.

The following officers were recommended for election:

Vice Pres. Burlington Dist., R. L. Patterson.

Vice Pres. Ottumwa Dist., T. W. Jeffrey.

Vice Pres. Oskaloosa Dist., Elias Handy.

Vice Pres. Muscatine Dist., U. S. Smith.

Conf. Pres., W. H. Perdew.

Conf. Sec'y., J. A. Glendinning.

DISTRICT CONFERENCE RECORDS.

Your committee have received and examined the District Conference Records of each of the Four Districts and beg leave to report that the duties of the several secretaries have been carefully and accurately attended to.

REPORT OF THE COMMITTEE ON EDUCATION.

I. Iowa Wesleyan University.

1. We greatly rejoice at the prosperity of our conference college during the present year and we congratulate the president, Dr. E. A. Schell and the faculty on their success. The completion of one hundred thousand dollars endowment is the final pledge of its permanency, the addition of the Buettner collection, the continuance of almost the entire faculty in the service of the institution for the coming year and the increased attendance of students are encouraging proofs of high educational ideals and efficiency. The installation of a central heating plant is a signal improvement in the equipment. Nothing will so commend the college for a large permanent endowment than to double the number of students and we urge upon our pastors the most earnest efforts to secure the attendance of all the young people within our conference boundaries at Iowa Wesleyan.

We pledge our renewed loyalty to our resolution of five years ago concerning a sufficient endowment for the college and urge upon the President and Board of Trustees a supreme effort to secure an additional one hundred and fifty thousand dollars within the next two years.

Hearty thanks are due to those who subscribed to the central heating plant and we exhort the college authorities to secure speedy payment of the entire sum that no increased indebtedness may result from it.

2. We deplore the fact that there is a decrease in the Conference Educational collection for the college this year. The assessment of twenty-five cents per member is the very least that any charge ought to raise. The credit given to worthy students from this collection, loyalty to the young people and the future education of our ministers require that every preacher in the conference bring up this collection on full.

3. We recommend that the trustees of the Iowa Wesleyan University be permitted to make such changes in the name of the institution as they may deem advisable, and we express our willingness that the entire board of trustees may be elected by the Board of Trustees and the alumni of the institution and we recommend that the conference express its willingness.

II. We call attention to the importance of the Children's Day Fund and the collection for Southern Schools and ask the pastors to follow the instructions below concerning these funds.

1. THE CHILDREN'S DAY FUND TAKEN IN THE SUNDAY SCHOOL ON THE SECOND SUNDAY IN JUNE. This is for student aid and belongs to the Board of Education, and is apportioned at 10 per cent of the foreign missionary collection. It should be sent to New York and should be carefully discriminated from the Rally Day collection in October, which is for the Board of Sunday Schools and which should be sent to Dr. David G. Downey, Chicago, Illinois.

2. THE COLLECTION TAKEN IN OUR CHURCH CONGREGATION AS AN ADDITION TO THE CONFERENCE OR PUBLIC EDUCATIONAL COLLECTION. This is apportioned by our Board in an amount equal to 3 per cent of the apportionment for Foreign Missions and is for the aid of our schools for people of the white race in the south. The proceeds should be sent to the Board of Education at New York.

III. We recommend as visitors to the Illinois Woman's College, at Jacksonville, W. A. Longnecker; to Garrett Biblical Institute, F. B. Tucker, one year, J. W. Potter, two years; to Iowa Wesleyan University, Mrs. L. G. Murphy and U. S. Smith; to Woman's College, at Baltimore, H. F. Gilbert. As trustees of Iowa Wesleyan University, George T. Pulliam, in place of W. F. Kopp, resigned; B. S. Gilson, in place of I. B. Schreckengast, resigned, H. N. Smith and T. S. Pool.

REPORT OF THE COMMITTEE ON EPWORTH LEAGUE.

Your committee submit the following:

We are gratified and inspired by the fact that there are over 19,000 Senior and Junior Chapters which shows a very healthy growth, in that 778 charters were issued during the past year.

It is gratifying to record the forward movement of our Leagues in the support of the work for young people in our Mission Field.

We are pleased to note the gifts to our foreign work of about \$60,000.00.

We commend to all League workers the literature for all the department heads.

Glad to note that the League is entirely self-supporting after many years of dependent existence.

Worthy of special mention, the fact that during the past year the largest number and the most successful series of institutes in the history of this movement have been held.

Committee.

REPORT OF COMMITTEE ON FOREIGN MISSIONS.

We have listened with delight to the inspiring addresses given by Rev. Homer C. Stuntz. Thanks be to God for the magnificent victories achieved by him and his co-laborers in the foreign fields. May God spare him for still further toils and greater victories, and may he often come among us to open our eyes to the necessities and the opportunities of those fields.

We hail with gratitude the increased interest in missionary endeavor awakened by the Laymen's Missionary movement. It has given the church a wider vision. We commend the action of our Board in the plan to reach the whole membership of the church by District Conventions and systematic canvass.

We urge each minister in the conference to enter with renewed energy and with earnest prayer into a campaign of instruction regarding the missionary enterprise of our church and continue the campaign until the last person on his charge shall have had a world vision and heard the voice of the world's need and responded in consecrated life and means.

Respectfully Submitted.

THE FREEDMEN'S AID SOCIETY.

Your committee note with pleasure the continual progress of our Freedmen's Aid society in its great work of emancipation. Its twenty-three schools and colleges are crowded to the utmost with young men and women anxious for that training of hand and head which will fit them to share their part in the world's progress. The parents of these young people have shown their interest in Christian education by laying upon the altars of the church about \$29,000 in the last year for the support of these schools. These institutions of learning are a positive necessity for the moral and religious training of our colored young people. They should be maintained with the largest possible liberality. The Iowa Conference is asked for \$2,500 for this cause for the ensuing year. This plea of help ought to appeal effectively to every member of our Church. Thus would we be fulfilling the Scriptural command, ye that are strong ought to bear the infirmities of the weak.

Respectfully Submitted.

COMMITTEE ON HOSPITALS.

It is with great pleasure that we note the prosperity and increasing usefulness of the Iowa Methodist Hospital at Des Moines, and the Graham Protestant Hospital at Keokuk, Iowa.

The Iowa Methodist Hospital at Des Moines, a distinct Methodist institution, incorporated, owned and managed by the Methodist Episcopal Church, has had an unusual year of prosperity; it has treated during the year 2109 patients; has a new building 190x50 feet nearing completion, which in the future will enable it to accomodate 250 patients at one time. It has a splendid staff of 27 physicians and nurses, and with its latest equipment will rank with the very best hospitals of Methodism, with a capacity for service second to none.

We recommend the appointment of Dr. W. P. Stoddard as corresponding secretary for the coming year. We also nominate for election as members of the board of directors, Dr. C. L. Stafford, Dr. J. M. McClelland and Rev. C. N. Pace. We also nominate as visitors Rev. W. H. Perdew and H. F. Gilbert.

We congratulate the W. H. M. S. on the increased prosperity of the Graham Protestant Hospital, for the splendid new building just

completed, which will give them the most needed room for their ever increasing work, their growing favor with the Iowa Conference, and the cordiality with which the pastors and their congregations have received the Field Secretary, the Rev. W. S. Gardner, and we recommend the appointment of Rev. A. V. Kendrick as Field Secretary for this institution for this conference year.

We commend both of these institutions to the careful attention and interest of the pastors of the Iowa Conference and we recommend that our pulpits be open to the representatives of these institutions.

Committee.

OBSERVANCE OF THE SABBATH.

We desire to emphasize the fact that whereas the idea embodied in the Jewish Sabbath was that of rest, that the only proper observance of the Christian Sabbath is by Public Worship. To this end we recommend that increased emphasis be put upon the subject, that the attention of the people be called to the sacredness of the day, and that all practices which tend to profane it be discouraged.

The Committee

PERIODICAL ACCOUNTS.

To the Iowa Conference:

We note with satisfaction that the business of the Book Concern has increased during the past year at the rate of \$5000.00 per month, the total receipts being \$2,464,000.00.

We are glad to learn that the dividends of the Conference Claimants Fund this year represent an increase of \$10,000.00, the total being \$170,000.00, and that the conference received this year from the fund \$1,535.00, an increase of \$117.00 over last year.

We note that this fund suffers serious losses by the failure of some to pay up their book concern accounts in full each year, and we find an accumulation of some accounts which appears to be uncollectable by reason of the debtor having gone from us, thus causing a direct loss to our conference claimant fund. We therefore urge that each brother pay in full his book concern account each year that the capital may be kept at work making better dividends and in increasing the circulation of our books and periodicals, thus advancing the publishing interest of our church.

We pledge co-operation with the book concern in the advancement of the work and urge that no brother should exceed a reasonable credit limit.

Signed

Committee on Periodical Accounts.

COMMITTEE ON PRO-RATING.

The committee appointed to adjust the Conference Claimant Fund report the following:

1. That a number of charges in each district have not pro-rated

according to paragraph 300 of the Discipline. Because of this failure there is due this fund \$256.00.

2. We have presented this matter to each who have not complied with paragraph 300 of the discipline and are unable to report any money collected.

3. We recommend the appointment of a standing committee to see that the discipline regarding the Conference Claimant Fund be complied with.

STATE OF COUNTRY.

The committee on the State of our Country beg to report that while we recognize the fact that during the past year there has arisen great differences between capital and labor yet there is the disposition on the part of both to arbitrate these differences and we felicitate ourselves on the existence of this spirit of mutual consideration and good will between these two factors of the public welfare.

We congratulate our country on the position taken by men of greatest eminence both in and out of office in favor of righteousness and in their effort to uncover crime and unrighteousness whether in public or private life.

Prominent in this regard is the effort being made to destroy the white slave traffic and to protect our homes and womanhood.

We rejoice at the growth and the continual extension of the prohibition sentiment of the country.

We deprecate the recurrence of the attempt of mob rule and affirm our conviction that the more orderly processes of the courts will achieve the best results in government.

Recognizing the home as the foundation upon which rests the stability of government we deplore the laxity of the courts in the granting of divorces and urge uniform legislation upon the subject and a more strict enforcement of the law.

We felicitate ourselves on the position taken by our country with regard to the court of arbitration at the Hague to which shall be referred all questions of difference looking to the elimination of war between nations.

Committee.

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

We are pleased to note the phenomenal advances recently made by the Board of Sunday Schools. We endorse every word of the earnest and compelling appeal of Dr. David G. Downey before the Conference. We agree with him that "the supreme evangelistic opportunity of the church is in the children." During the last two years 700 new schools have been organized, 2800 scholars enrolled and 78 new churches have been an outgrowth. Twenty-six missionaries are now in the field.

We recommend the acceptance of the apportionment of 1½ per cent of the total ministerial support of each charge.

We commend the six correspondence courses for teachers as a

means of increasing the efficiency of the teaching forces and we advise that all questions concerning the management of the Sunday school be referred to the secretary of the board, Dr. David G. Downey 57 Washington St., Chicago.

We propose that a Conference Board of Sunday Schools be organized to act in lieu of the Sunday School Committee, the board to consist of the District Superintendents, one pastor and layman from each district.

We nominate as a Board of Sunday Schools the following:

Burlington Dist.—Dist. Supt., I. B. Schreckengast and Wm. Archer.

Muscatine Dist.—Dist. Supt., J. F. Robertson and S. W. Neal.

Oskaloosa Dist.—Dist. Supt., Elias Handy and J. W. Teter.

Ottumwa Dist.—Dist. Supt., E. J. Shook, and T. C. Cooper.

TEMPERANCE COMMITTEE REPORT.

We commend to all our people the work of the Temperance society of the church, which is the official organization to carry on the temperance work within the church. We urge all our churches to hold a Temperance Anniversary some time during the year, under the auspices of the Quarterly Conference Temperance committee and that in every Sunday School on Temperance Sunday an opportunity be given to sign the total abstinence pledge.

Earnestly desiring the success of every honest movement for the abolition of the liquor traffic we greatly rejoice in the success of the Anti-Saloon League, both national and state. The day cannot be far distant when our National Congress shall grant relief to existing conditions by such amendments to the Inter-state commerce law as will leave the various states free to enforce their own police regulations against the shipment of liquors into dry territory.

We demand the speedy enactment of the Miller-Curtis Inter-state Liquor Bill (H. R. 23641 and S. 7528) now pending in Congress.

We again express our appreciation of the work of the Iowa Anti-Saloon League. It is very successful in promoting advanced temperance legislation and defeating the enactment of laws favoring the liquor traffic. It is well prepared for such work because of its omni-partisan character. During the past year decisions of the courts, both federal and state, have greatly helped the temperance cause. More than sixteen hundred square miles of our territory have been changed and more than eighty thousand of our citizens have been delivered from the dominance and presence of the open saloon. Great progress has been made in reducing the number of saloons. In October 1904 there were more than 3000 saloons operating in our state. In February 1910 there were 1368 as shown by the records in the auditor's office. There are today 1728 towns and cities in Iowa, 1532 of them have no saloons. There are 799 incorporated towns and cities, 606 of these have no saloons. 193 towns and cities contain all the permitted saloons remaining in Iowa with the numbers of these constantly growing less. 64 of our 99 counties are entirely dry, with ten other counties in each of which there is but one saloon town, and two counties with two saloon towns each. The remaining saloon towns are in the twenty-three Mulct counties. More than eighty-six thousand majority of Iowa voters live in the dry territory. We are fully able to possess the land.

We will not listen to the false spies. In the name of our Divine Lord, under the leadership of the Captain of the Hosts we will go up at once..

We believe the time has fully come in which the national and state conditions justify a supreme effort to secure a prohibitory amendment to our state constitution and we record our deliberate judgment that the Anti-saloon League is acting wisely in using all methods provided by law, for obtaining such amendments, rather than trusting in any method only, thereby risking so great a principle upon a single issue. As the convention method is endorsed by eminent judicial counsel and promises the most speedy adequate and economical relief we urge the League to its utmost endeavor for a convention. We will everywhere co-operate with the league in getting the facts before the people in such a manner as promises the largest possible majority of votes in favor of such results.

We hereby nominate Eugene Allen and C. L. Tennant to represent us on the Board of Trustees of the Iowa Anti-Saloon League.

We are much delighted to have the president of the American Anti-Saloon League presiding at this session of our conference. His presence and work give a mighty inspiration and enthusiasm to our great cause.

Respectfully Submitted.

REPORT OF W. F. M. S. COMMITTEE.

Whereas, the work of our church in the foreign fields depends largely for its success upon our consecrated womanhood, and as the W. F. M. S. is the great agency which supplies the demand, therefore be it resolved:

That as pastors we welcome to our charges the representatives of the society, and thus lend our influence on behalf of this good work, and when requested make the thank-offering address.

P. H. Hawk, Chairman.

REPORT OF COMMITTEE ON WOMAN'S HOME MISSIONARY SOCIETY.

Whereas, in the providence of God great responsibility has been thrust upon us in the influx of foreigners, especially those congregating in our large cities, by the needs of our fellowmen and women in the Southland, in Utah and among the Indians and whereas, the Woman's Home Missionary society has been and is attempting to meet all these responsibilities and whereas, most valuable services are being rendered our country and our church by said society in helping the ministers on the frontier and our church, in solving the great problem of evangelizing the alien races in our midst. Therefore be it resolved:

That we pledge to this society our co-operation. Extend a cordial invitation to our charges of its representatives to organize where possible auxilliary societies, and pledge to this society sympathy and recognition equal to that given its sister society, the W. F. M. S.

Be it further resolved, that we approve the Christly work that is being done in Graham Hospital, a deaconess institution of the W. H.

M. S. That we rejoice in its enlargement and increased facilities for ministering to the poor and suffering and pledge our support and co-operation.

Respectfully Submitted,
Committee.

MISCELLANEOUS REPORTS

PRESIDENT'S REPORT.

In years gone by doubtless this report of Iowa Wesleyan University to the Iowa Conference must have seemed a formality to the body, and a function to the president who presented it. Last year we asked, as do the congressmen at Washington, "for leave to print," but now with victory behind us, success ahead and friends increasing, student prospects more numerous than ever, and a budget for this year likely to balance, will you not listen with the interest your past devotion suggests and the hope which the present situation justifies.

It seems almost pathetic that the love and sacrifice out of which Iowa Wesleyan was founded could not have been capitalized into permanent endowment at some early period of the institution's history. A long succession of presidents and financial agents gave up the comforts of home and the luxury of study to bring it to pass. Dr. Thomas E. Corkhill procured the first \$15,000 of endowment from Oliver Hoyt. Rev. G. N. Power was the next to give \$5,000, but since his subscription until this year no other sum in that amount has ever been received for endowment. During the forty-five years that have elapsed since the Hoyt gift barely \$45,000 was added.

With the financial history thus limited it will be understood that the endeavor to increase the endowment planned by this Conference five years ago has required much patience on the part of the friends of the college and persistency by the college representatives. Happily \$100,000 of the sum proposed has been secured.

It is impossible to compress into words the elation of the faculty friends and students and the personal thanksgiving over this triumph. The feel of the Carnegie check; the exuberant festivity of the students and the prayers of one-hundred families resulting from it will always abide as precious memories. The endowment funds of the college now amount to \$160,000 in bonds, mortgages, notes and property. This is exclusive of the Hershey Hall Plant, which is easily worth \$40,000 and ought to be productive at the rate of 2½ per cent.

The Gospel of Mark, as you recall, frequently employs the Greek word for "straightway," "immediately," "forthwith." We need an additional \$150,000 endowment at once. What I have called a triumph is only a beginning. Now is the time for pastors, trustees and alumni to commend the college to the friends of Christian education. We do not ask you to "beg" for it, but by friendly reference, considerate approval, public and private prayer to put it upon the hearts of those who can endow this institution where young people may be educated under Christian auspices.

Let me note the addition of the Buettner collection, long displayed in the Burlington Public Library, to the treasures of our museum. These specimens of nature craft and hand craft have been gathered from many lands, are of priceless worth, and when suitably displayed will greatly enhance the educational value of a visit to our museum.

We have a well located room in Main Hall for the use of the

Iowa Conference Historical society. We hope its occupancy will be only temporary, but feel certain that it will seem commodious and comfortable until permanent and more desirable quarters can be arranged.

The Board of Trustees desire to consult the Conference and obtain permission to change somewhat the method of electing the Board of Trustees. It may be thought wise to elect all of the Trustees by the Trustees and the alumni. They also request permission to make such changes in the name of the institution as may seem fitting to them, and as will bring the institution into harmony with the recommendations of the University senate. Both requests should be given your approval.

The proposal of the department of public instruction to enumerate the colleges of the state as No. 1, No. 2, No. 3, etc. is a dangerous educational precedent. The scheme to thus advertise the assumed merits of a few institutions is presumptuous and unwarranted. With the requirements laid down for a class. A college, if a period of five or ten years were allowed for the approximation of these requirements, we would have little or no objection; but to press such a graduated scale of merit upon the colleges of the state within 11½ months after such notification was received is a serious challenge to the wisdom of the proposed action.

The Board of Trustees have authorized a contract for a central heating plant when one-half the sum necessary for its installation shall be subscribed.

Several "builders" have preceded me in this office. The first president, Dr. Huestis, erected the pioneer building; Senator Harlan the main hall; Dr. Wheeler the German college building now used for the Rommel School of Music. That princely man still among us, Dr. C. L. Stafford, completed Hershey Hall. Dr. Hancher secured the President's House. Perhaps my record as a builder must finally rest on the exit of the sixty stoves and the installation of a heating plant.

The engineer recommends that it shall be put in the basement of the Chapel. This was the only way we could keep the plant within the sum named by the board of Trustees. The conference ought to subscribe \$3,000 on this enterprise before its adjournment.

The Conference should plan if possible for an Improvement Fund reaching across the next five years to amount to at least \$30,000. In addition to the heating plant we must have a new roof on the chapel; a library building or a re-arrangement of our building so that the library could have more commodious quarters; and an annex to Hershey Hall, and the Brethren of our Conference are the final source of appeal for the sum with which to make this advancement.

We record the valued services of Dean Elmer E. Lymer during the last year and all the years. The visit and addresses of former president Hancher must be mentioned as well as the faithful work of Prof W. H. Munster, who is to return to Conference service at this session.

We request the Conference to record the election of H. N. Smith and T. S. Pool as Trustees one year ago. By an inadvertance their names were omitted from the list of elections.

This past year it has been my privilege to visit five of our Methodist colleges. Each of them exceeds Iowa Wesleyan in the num-

ber of its students, and multiplicity and size of its buildings and the amount of its productive endowment. Perhaps they equal, but they do not exceed Iowa Wesleyan as a radiating center for Methodist ideas, as a recruiting ground for our ministry and as a citadel where the things for which we stand are loved, respected and followed.

Edwin A. Schell.

REPORT OF VISITOR TO THE GARRETT BIBLICAL INSTITUTE

As your representative I visited Garrett Biblical Institute during commencement week and take great pleasure in reporting the continued prosperity of the school.

During the past year the loss caused by the absence of the President, Rev. C. J. Little D. D. L. L. D. and by the election of Prof. Chas. M. Stuart D. D. to the editorship of the Northwestern Christian Advocate, thereby making vacant the chair of Sacred Rhetoric has been keenly felt, but by the return of the president with restored health and by the election of W. J. Davidson D. D., chancellor of Nebraska Wesleyan University as Professor of Sacred Rhetoric, the faculty is complete and adequate.

The board of visitors composed of forty-two men representing forty conferences was unanimous in its declaration that "the work done was thorough and true to the traditions of our beloved Methodism;" that "all of the members of the faculty are learned men, loyal to the truth and consecrated to the noble purpose of the institution."

The evangelistic and missionary spirit was manifest as shown by the large number of students who went out among the neighboring churches and assisted in revival meetings, and by the large numbers of graduates who enter the Missionary Field.

Garrett is a strong school, with an able faculty, a large endowment, an almost ideal location, splendid library and general equipment and a deeply religious life, and we record it as our sincere judgment that no earnest young man, desiring the highest usefulness in the ministry will faithfully pursue its course of instruction, without having his life enriched, his faith strengthened, his vision enlarged and his efficiency greatly increased.

Fred B. Tucker,
Visitor.

REPORT OF VISITOR TO ILLINOIS WOMANS' COLLEGE.

It is with pleasure that your visitor to this institution reports its continued prosperity. Founded in 1847 as a female academy, it has broadened the scope of its work to a full college course, with Academy, College of Music, Schools of Fine Arts, Expression and Home Economics.

In material equipment it has property and endowment worth more than \$350,000.00 and the Trustees have recently set out to increase this to \$1,000,000.00 one half of which shall be endowment. The students the past year numbered more than 400 and come from eighteen states. During the year there was neither death or serious illness among this number, nor has there been a death during the 17 years of Pres. Harkers administration.

A faculty of nearly forty men and women give instruction to these young women. Pres. Harker and the Faculty Committee make careful selections to fill all vacancies, and then in case of incompatibility in moral ideals and Christian character, with firmness, make vacancies. Your visitor was much impressed with the homeliness of the College. Pres. and Mrs. Harker take almost a parental interest in the young women, and in many ways have developed an atmosphere of home life.

The moral and Christian ideals, and we may say, the attainments, are the very highest, so that we unhesitatingly commend the Illinois Womans College to parents desiring for their daughters instruction and training of the first order in an environment that is unequalled.

Respectfully Submitted,

W. A. Longnecker.

REPORT OF THE DEACONESS BOARD.

The Board nominates Mrs. I. O. Kemble, W. S. Gardiner and C. S. Cooper to fill class one. R. L. Patterson was elected President of the board and J. E. Newsom sec'y. and treasurer.

The character of the Misses Jackson, Wirtz and Hopkinson were passed and their licenses were renewed. The character of Miss Charlotte Webb was passed and her license renewed, subject to her recommendation by her quarterly conference.

The character of Miss Corabell M. Teachman was passed, her license renewed and she was transferred to the Central Illinois Conference. Miss Mary Crawford was received by transfer from the Des Moines conference. Miss Josephine Ehrman was transferred to the St. Louis Conference. Misses Grace M. Dawson, Elizabeth Paskin and Lenora McGinnis were licensed as deaconesses and recommended for consecration.

R. L. Patterson was authorized to represent the Board of Nine in stationing deaconesses during the coming year.

The very best word is spoken for the efficiency of our Deaconesses in their assistance of the pastors.

The following report of expenses for Deaconesses work in the conference is made: Buxton, \$130; Eldon, \$9; Burlington, Grace Church, \$14.60; Winfield, \$15; Ft. Madison, \$7; Fairfield, \$300; Muscatine, First church, \$347; Washington, \$380. Total, \$1,202.60.

On Sunday, Sept. 11th, the following were consecrated by Bishop Luther B. Wilson to the office of Deaconess: Miss Elizabeth Paskin, Beacon; Miss Grace M. Dawson, Wellman; Miss Lenora McGinnis, Ottumwa.

Report of Graham Hospital: The Graham Hospital has closed another year. While not so many have been admitted as in former years, the Hospital has been full nearly all the time, and frequently cots have been placed in the halls. The average number treated each month was 27. The largest number any one month was 38, and the smallest number 22. The total number of patients admitted during the year was 199. Total number treated, 331. Number of operations, 235, births 10, deaths, 13. 100 weeks of charity work at cost of \$700 was given.

With 20 rooms you will agree that the occupation of the new and commodious quarters which it is hoped will be soon, will be welcomed.

When we consider the nature and seriousness of work done and the almost miraculous recoveries from serious injuries, courage is taken and a looking above for divine guidance in His name.

The Graham Hospital Guild has been very helpful; the auxiliaries of the W. H. M. S. societies and Epworth Leagues have aided by sending supplies to the value of \$209.30.

Resolved: That we have noted with great pleasure the splendid record made by your Graham Protestant Hospital, and will cooperate heartily with our W. H. M. S. in the Conference to meet in every way the increasing demands for hospital service. May God's abundant blessing be upon our consecrated sisters in their work for God and humanity, and will welcome their representative to our charges to present this important interest.

REPORT OF THE EXECUTIVE COMMITTEE OF THE HISTORICAL ASSOCIATION.

The books, with other valuable material, donated by Dr. E. H. Waring to the association are ready for transportation to Mt. Pleasant.

A room has been provided by the Trustees of the Iowa Wesleyan University for the reception of these books and documents.

Some furniture will be necessary for said room and an appeal is hereby made from each of the four Districts for \$37.50 to provide funds for the same.

REPORT OF COMMITTEE ON INTER-CONFERENCE COMMISSION.

The committee on Inter-Conference Relation reported as follows:

We unanimously resolve to recommend to our several conferences that a permanent state commission be constituted to exercise such powers as the conferences may delegate, and to further such connectio-
tional interests as may be referred to them as important and within the scope of their privilege and duty.

All action taken by this commission shall be reported to the next annual conference for approval.

The commission shall be constituted as follows: Three ministers and three laymen from each annual conference and one district superintendent to be designated by the cabinet; at this conference two members of the commission shall be elected for one year, two for two years and three for three years and two annually hereafter. These shall be nominated by the committee on education and elected by the conference.

The commission shall elect its own chairman, secretary and treasurer and appoint sub-committees as it may deem necessary, and secure such co-operation from pastors and laymen as is available.

It may appoint sub-committees to act as a board for the securing of pastors or religious instructors or assistants for Methodist students in state educational institutions, where it deems necessary, secure Sunday School missionaries to labor within the bounds of the state, and make all necessary arrangements for the adequate support of these representatives of the church.

It shall be authorized also to act for our Church, within bounds of the Discipline, in all matters of surrender to other denominations of property and membership, fields of labor, and to take over prop-

MEMOIRS

BISHOP HENRY SPELLMEYER.

Saturday morning, March 12, 1910, the news flashed over the wires that, (while presiding over the New Jersey Conference at Atlantic City,) Bishop Spellmeyer was found dead in bed.

This sudden and unexpected announcement startled the whole church, and was especially saddening to the Iowa Conference over which he had Episcopal supervision, and had presided with such marked acceptability at our last session.

To characterize the life, work, and personal qualities of Bishop Spellmeyer, is beyond my pen to accomplish, but in writing this brief note I am performing a labor of love. Early in life he was called of God to the office and work of the ministry, and his scholastic training, added to his natural abilities and profound religious experience, eminently fitted him for his life work. He graduated from the New York University at eighteen, and at twenty-one took his degree from the Union Theological Seminary.

He was at once admitted on trial in the Newark Annual Conference, and spent his entire life as pastor in and near the city of Newark. It is said that from the spire of the first church he served can be seen the steeples of every church he served during the thirty-five years of his ministry, until he was elected to the office of Bishop at Los Angeles in 1904.

But six years were given him in the office of General Superintendent, yet in this brief time he so impressed his personality upon the church that his memory will abide a holy benediction, and though cut off in his prime, being but sixty-two years of age, yet he made for himself a place high up in the annals of the church and worthy of our emulation.

His presidency of the Iowa Conference and his work in the cabinet were marked with precision, exactness and a well wrought out plan, and with it such a brotherliness and becoming dignity that it won for him an enduring place in the hearts of the brethren.

His address to the class for admission into full connection was most lucid; and his sermon Sabbath morning, "A Eulogy of the Bible," was clear, profound, orthodox, and through it ran a deep current of spiritual fervor which profoundly impressed the great audience.

Bishop Spellmeyer's interest in the pastors whom he appointed did not end with the sessions of the Conferences, but he followed them with prayerful interest. In a letter written some time after conference adjourned, among other things in which his interest is shown, he says: "No appointment I know of has been changed since I read them at my five conferences, unless it be a minor one for health reasons."

The funeral of Bishop Spellmeyer was held in the St. Paul church, Atlantic City, Monday, March the 14th, and the remains laid to rest at Newark, New Jersey.

"Servant of God, well done,
Thy glorious warfare's past,
The battle's fought, the race is won,
And thou art crowned at last."

A. V. Kendrick.

HOWARD F. BISHOP.

Death always comes to us veiled in mystery and draped in sadness, but in this, suffered, rather than ordered, dispensation of our Heavenly Father's providence, there are many aggravated elements. A choice spirit-young, well-equipped, thoroughly consecrated, and conspicuously successful, has slipped away, and that too at a time when the church could ill afford to release him, and the dear girl who gave him her heart's love, together with her fatherless children need him—need him much, if not most.

Yet in the maddening maze of things,
And tossed by storm and flood,
To one fixed stake my spirit clings,
I know that God is good.

I know not what the future hath,
Of marvel or surprise,
Assured alone that life or death,
His mercy underlies.

Howard F., oldest son of Rev. and Mrs. S. F. Bishop, was born in the parsonage home at Webster, Iowa, October 21, 1880, and died while trying to save the life of another in the Gulf of Cambay, India, Thursday morning, June 2, 1910. During the father's pastorate on the Pleasant Hill charge in the early part of his eventful ministry, his son, then a lad of scarcely ten summers, was converted and joined the Methodist Episcopal church. His conversion was as clear and beautiful as his life was consistent. He graduated from the high school at New London, Iowa, in 1897, entered the Iowa Wesleyan University in 1898, taught during 1899, began his course at the Iowa State College of Agriculture and Mechanic Arts at Ames, Iowa, in 1900, graduating with high honors June 8, 1904. On the following December 8, he was united in marriage by Dr. A. M. Shea to Miss Nellie Dawson, one of Story county's most popular and efficient school teachers.

Being under appointment as the superintendent of our industrial school at Nadiad, India, the First Methodist Episcopal church of Ames tendered them a farewell reception on the evening of their wedding day. The great church in which he had been active during his entire college course, was profoundly moved by his parting message. Not content with simply teaching a young ladies' class each Sunday morning and attending Epworth Lague and both preaching services regularly, he organized a Sunday school in a school house six miles in the country and was for two years its popular superintendent as well as teacher of its bible class. As a student he lived in deeds not years, and made a record seldom equalled and rarely, if ever excelled in the colleges of our land.

In person he was erect, well proportioned, and of natural, easy, unpretentious manners. He completed his education at the State College, where emphasis is not supposed to be placed upon spiritual things without staining his integrity by the so-called amusements of the day and in securing an increasingly strong hold on faculty and students alike.

That those who trusted and loved him were not disappointed in him will be seen from a letter by Rev. A. A. Parker, principal of the Florence B. Nicholson School of Theology, Baroda Camp, India, written on the field, June 7, five days after Brother Bishop's death. Dr. Parker

says: "We reached India only a few days later than did Howard and wife, so that we have known him all his time in India. I can frankly say that I regard him as one of my dearest friends and as one of our sanest missionaries.

The great school of which he was the head and inspiration will sorely miss him. His voice in our mission council was always heard with pleasure. He was respected and thoroughly trusted by all his associates. No man among us was more loved by an Indian people. He kept his heart warm and his head cool at all times. He could always be depended upon to aid in anything which looked toward the distinctly spiritual. All this you will be glad to hear from one who has been so close to him for the past five years.

Knowing that the Church awaits with prayerful interest an account of the accident, I add the following lines: The passing of another hard, but successful year, brought them to the vacation period. Mr. Bishop and family, in company with some of their workers, sought rest and relief from the hot season on the banks of the Gulf of Cambay. On Thursday morning, June 2, 1910, Mr. Bishop and the Misses Austin and Williams went in to bathe. Miss Austin became nervous and asked him to help her to shore, which he did. Miss Williams cried for help, and Mr. Bishop reached her and kept her up for twenty minutes, when a large wave separated them. She sank, and her helpless body was washed ashore. This he did not know, and continued diving and searching for her for nearly an hour. Exhausted by the long struggle he gave up, turned toward shore, threw up both hands, then one, and sank, and his life's work was done. Like his Master, he had not only lived, but died for others. It took a company of fishermen about two hours to recover the precious body. The following day, Friday, June 3, Brothers Park, Hill, Lampard and Wood conducted the sad funeral services and the lifeless bodies of those who had given all to Him were laid to rest at Bulsar in the land they came to help Him redeem.

O sorrowing souls, God never is very far away—perhaps—never quite so near as in the hour of sorrow. The last words—the Father's words—have not been spoken. When he speaks, as he did to Mary, and he will to you, it will not be dark and there will be no sea and no death.

"Rest comes at length, though life be long and dreary;
The day must dawn and darksome night be past;
All journeys end in welcome to the weary,
And heaven, the heart's true home, will come at last."

REV. J. B. HILL.

Rev. J. B. Hill was born in West Virginia eighty-seven years ago and passed from earthly service to heavenly reward December 3, 1909.

His early opportunities for education were only such as the private schools of the country afforded. Naturally studious, he used every opportunity to improve his mind and became a clear reader and thinker. He was thoroughly converted when young and at once yielded himself to his Master's call and entered the ministry of the Methodist Episcopal church.

In 1851 he was admitted to the Ohio Conference, which then had jurisdiction in Western Virginia, but retired at the close of the first year. In 1852 he entered the Western Virginia Conference and grad-

uated in the class of 1856. In 1857 he located and in the fall of the same year was admitted to the Iowa conference, which connection he never severed, and in that relation he heard the Father's call of promotion.

His effective work extended from 1857 to 1895 all of which, save one year as a supernumerary and four as presiding elder, he spent in the pastorate. In 1895 he superannuated, but did not tend his active labors, for he was employed part of the time as supply and always fulfilling his ambition, like his Master, to be going "about doing good."

He was intelligent, well versed in the scriptures, good in theology, amiable, warm in attachments, firm in principle and decided in piety. Though clear in experience he was modest in profession, and lived the scripture injunction, "to be able always to give an account to every one that asketh you the reason for the hope that is in you, with fear and meekness." Unassuming, with no trace of self-seeking, he took the work assigned him uncomplainingly and performed practical, fruit bearing service.

Servant of God, "Well done!"

Thy service has been wrought;

And God hath taken to himself

The sheaves thy hand hath wrought.

EXPENSES—The President and Treasurer reported unpaid expenses for the past year of \$10.60. A collection was then taken to defray expenses amounting to \$15.46.

RESOLUTIONS—The Committee on Resolutions report the following resolutions, which were adopted:

Be it resolved by the Laymen's Association of the Iowa Conference of the Methodist Episcopal Church in its second annual session,

First—That we desire to confirm our faith in the methods and doctrines of the Methodist Episcopal Church, and therefore call upon all our brethren, both lay and ministerial, to carry the banner of Jesus Christ high before them, remembering that his banner must rise or fall before the world in that degree which will be determined by our daily lives.

Second—That we, appreciating the importance and being in hearty sympathy with the Permanent Fund, for the benefit of our wornout, worthy preachers, will co-operate with the Financial Secretary of this fund, and will give him a hearty welcome whenever he shall visit us to present the needs of this fund.

Third—That we should be loyal and intelligent Methodists, therefore, we urge that the Lay members subscribe for and have in their homes at least one of our church papers.

Fourth—We again wish to emphasize the importance of educated Methodist young people in our Church, therefore, we recommend and encourage attendance at our Conference School, the Iowa Wesleyan University, at Mt. Pleasant, Iowa.

We also heartily commend the successful efforts of Dr. E. A. Schell, the President, in increasing the endowment of the college.

Fifth—That we favor systematic giving on the part of every member of our church, and we urge upon the stewards of each charge to thoroughly work any system of giving and collecting, that may be adopted, to the end that every member of our church may contribute something to the support of the Gospel and the various interests of the church.

Sixth—We thank the officials of the Second Reformed church for the use of their beautiful church in which to hold both our sessions.

S. A. Roberts,
S. G. Cushing,
J. K. Latta,
O. F. Baughman,
Committee.

The committee on Nominations then reported, placing the following in nomination for the offices for the ensuing year:

For President, J. M. Beck, Centerville.
For Secretary, A. N. Jarvis, Burlington.
For Treasurer, C. E. Ward, Fairfield.
For Vice President, Julius A. Schmidt, Muscatine.
For Vice President, T. G. Harper, Burlington.
For Vice President, E. H. Buchanan, Grinnell.
For Vice President, E. L. Stickney, Moulton.

On motion the rules were suspended and these were elected by acclamation.

Moved and seconded, that the Central Christian Advocate be requested to print the papers read here today. Motion carried.
